Subd. 2

In the event the illness or physical disability is one that can be predicted before its commencement, such as by way of example, but not limitation, elective surgery or pregnancy, the employee shall inform the Employer in writing no later than three (3) months prior to the contemplated start date of the illness or physical disability, or as soon as the contemplated illness or disability is known, whichever occurs first.

In the event a medical certificate is required, the employee will be so advised.
- (b) In individual cases, the Employer shall have the right to require that the employee be examined by a physician of the Employer's choice and at the Employer's expense. In such cases, the medical conclusion of this physician as to the beginning and ending of actual illness or physical disability shall be binding on the parties and conclusive as to the commencement and return dates of the employee and the employee's entitlement to sick pay under this section, unless the employee shall inform the Employer the physician's statement is unacceptable within three (3) days of receipt of the physician's statement.
- (c) In the event the employee has submitted to such examination, and the employee has properly informed the Employer the physician's statement is unacceptable to the employee, the employee shall select a physician competent in the field related to the employee's illness or physical disability from a list of three provided by the Employer. The examination shall be at a time and place designated by the Employer. The employee shall be responsible for the physician's expense unless the physician's medical conclusions are essentially different from those of the employer's physician, in which case the examination shall be at the expense of the Employer. Upon request, a copy of the report of the physician shall be furnished to the employee. The medical conclusions of this physician as to the beginning and ending of actual illness or physical disability shall be binding upon the parties and conclusive as to the commencement and return dates and any entitlement to sick pay under this section.

Subd. 6

No employee shall be permitted to use more than sixty-five (65) days of the employee's total accrued sick leave during any one period of absence.

Subd. 7

In the event sick leave has been completely used, and upon application to the Superintendent, the Superintendent may, at the Superintendent's discretion, authorize in writing to pay the employee the difference between the employee's regular daily salary and the substitute's pay for a period not to exceed thirty (30) days. This additional time applies only to employees who have completed three (3) consecutive full years of service with Minnetonka Public Schools. If another illness occurs after thirty (30) days have been used, full salary deductions will be made.

- (b) An employer may limit the use of personal sick leave benefits provided by the employer for absences due to an illness of or injury to the employee's adult child, spouse, sibling, parent, grandparent, or stepparent to not less than 160 hours in any 12-month period. This paragraph does not apply to absences due to the illness or injury of a child, as defined in section 181.940, subdivision 4.
- (c) For purposes of this section, "personal sick leave benefits" means time accrued and available to an employee to be used as a result of absence from work due to personal illness or injury, but does not include short-term or long-term disability or other salary continuation benefits.

Exception to this can be made at the District's sole discretion because of death, serious illness, or disabling injury to the employee which prevents the employee from fulfilling this obligation.

Section 5

Employees on sabbatical leave shall be entitled to all fringe benefits for which full-time employees are eligible, except long-term disability benefits which will be dependent upon the employee's salary the year prior to being granted the sabbatical leave. The District tax sheltered annuity contribution, if any, for employees on sabbatical will be based on the sabbatical salary.

Section 6

Written applications for sabbatical leaves shall be made to the Superintendent for the Superintendent's recommendation to the Board of Education. Authorization of such leave must be given in writing by the Board.

ARTICLE XIII: CHILD REARING LEAVE

If additional reduction is necessary, the Employer will reduce staff utilizing seniority according to the provisions of this Article.

Section 2

However, there shall be no accrual of seniority credit while on a long-term leave of absence for medical purposes, or any other leaves unless specifically so provided by the terms of the leave.

- (b) The order in which the names appear in the Board minutes of the meeting at which the initial employment contract was approved.

Section 9

Employees placed on unrequested leave of absence pursuant to this Article shall have no employment rights in other positions in the District, except as may be provided by other agreements or policies.

An employee who changes address must notify the Employer of the change. The date by which the employee must return to work from unrequested leave shall be at the discretion of the Employer, but shall in no case (except by mutual agreement) be sooner than twenty-one (21) calendar days following original notification by the Employer.
- (d) The employee has been on unrequested leave for a period of time equal to the employee's category seniority at the time the employee's unrequested leave commenced or five (5) years, whichever is less.

ARTICLE XV: OTHER LONG AND SHORT TERM LEAVE

Section 1

An application for a leave of absence under this section shall be made in writing to the Superintendent of Schools, setting forth the reason for the requested leave. No such leave shall be granted unless expressly authorized by the School Board in writing.
