Always looking for people to help. Maybe start with involvement opportunities. Heidi to follow up with vol Dad.

Post pone ice cream social until Spring Fling time frame. All events will be planned by ear.

Signup Genius for Book Fair; first week in October. Discussion about volunteers and vaccinations etc

Cindy stated not so much about vaccinations...what can they do in school? Still no vols in school. Building is not fully staffed so hesitant to bring in others.

#### **Room Parents**

Discussion about room parents. Can we bring this back w/out being in person?! Google meet planning

Room parties

YES, virtual.

Email coordination, Venmo for teacher gifts, teacher b day, etc Requested a list of staff birthdays.

Will still have kindergarten outdoor parade. YES

Outdoor classroom discussion.

Deephaven has an outdoor classroom. Would be interesting to get their feedback on how it has been used.

Tie in with hammock garden?

Dose of fresh air.

Picnic area and pavilion near recess area was actually intended to be an outdoor classroom. Not currently being used for this.

More focus on Courtyards than picnic area.

Heidi will message PTO president at Deephaven for input on outdoor experience there.
