Your health is a top priority of Minnetonka Community Education and Minnetonka Public Schools.

In order to provide you with safe, quality classes and programs, our staff and instructors will be wearing masks and performing frequent hand washing. As an additional measure to keep you safe, all students and visitors will be asked to wear a mask upon entering our facilities. Hand sanitizer is available throughout our buildings. Hallways and stairwells are clearly marked as one-way traffic.

Additionally, we have taken the following measures:

- Promoting social distancing measures throughout our buildings and classrooms*
- Plexiglass shields at front desk, reception areas and computer labs*
- Continue to offer a wide selection of virtual classes and kits*
- Additional sanitation processes to disinfect all rooms and surfaces*

Please note these guidelines may be updated by the Minnesota Department of Health (MDH) and we will adjust according to modified guidance.

QUEST

Camps for Students Entering Grades 6-8

Quest is a flexible, experience-based summer program that encourages middle school students to explore the world around them in a fun, structured and safe environment. Each week we will embark on exciting adventures that focus on building independence, learning important life skills, connecting with their community and most importantly, having fun! Some of the adventures your kids will experience each week include:

Community Exploration: Whether it's going on a field trip, biking our cool trail system or participating in a service learning project, your child will make connections and experience all the exciting people and places that make our community a great place!

Outdoor Adventures: Students will be immersed in many of the great outdoor activities Minnesota has to offer! Adventures include swimming at local beaches, exploring local parks and other field trips as allowable.

Field Trips: Stay tuned for more information on our field trips and planned activities as allowable by MDH guidelines and venue restrictions.

Location:

Minnetonka Middle School East
17000 Lake Street Extension
Minnetonka, MN 55345

Dates:

June 14- August 27

Option to register for one week or all with a minimum registration of two days per week. Registration will be closed the Thursday before each week of Quest. Quest will be closed Monday, July 5 and August 30-September 6.

Driver Education

Safeway Driving School has been creating safe, responsible teen drivers for more than 50 years. Minnetonka Community Education partners with Safeway to offer classes that emphasize defensive driving techniques.

Online Learning Information

The State of Minnesota requires that driver's education distance learning be conducted in a face-to-face platform, which requires that students have a video camera and audio capabilities on their devices. Safeway has chosen a secure Zoom platform to conduct the class. Safeway will be emailing the classroom handouts and MN Driver's Manual in pdf format for printing. Students will be required to be in front of the camera and interactive for the full three-hour class.

Instruction

Our program includes 30 hours of instruction, as required by law, in 10, three-hour lessons. Students can start classes at age 14½, obtain their permit at age 15 and license at age 16. The curriculum includes study guides, PowerPoint instruction, videos, discussion, worksheets and interactive software. Classes focus on critical behaviors and attitudes common to teen drivers and prepare them for the Minnesota Permit Exam.

Fee

\$399 (Includes classroom instruction and six hours of behind-the-wheel instruction.)

Behind-the-Wheel Instruction

Students must complete six hours of driving lessons with a Safeway instructor before taking the Minnesota Road Exam. Lessons are divided into three two-hour private lessons with a responsible, professional Safeway driving instructor. Students can be picked up from and dropped off at home, school or work. Safeway offers convenient online scheduling for behind-the-wheel instruction. The lessons are given on actual city streets, highways and freeways. It is recommended that students take their first lesson 6-8 weeks after receiving their permit. Lessons should be at least 30 days apart allowing for practice with parents between lessons and can be scheduled with Safeway Driving School.

Parent Involvement

Safeway offers detailed information on its website to assist parents with understanding Minnesota laws and requirements for student drivers. Monthly parent information classes are offered online.

Safeway offers make-up classes using distance learning. Visit SafewayDrivingSchool.com for more information.

**Safeway is a proud sponsor of the
Tonka Youth Triathlon!**

Tonka District Children's Choir Summer Singing Workshop

Grades 4-7

This fast paced, exciting workshop is perfect for children who love to sing and want to develop their voices further. Participants from past years are encouraged to join us again as the music is never the same from year to year. Young singers involved in our workshop will learn a variety of songs, including musical theater and jazz selections. They will also explore the skill of vocal improvisation (scat singing), beat boxing and singing two notes at the same time using harmonic overtones. At the end of the week, we put on a public concert showcasing our work. All ability levels are welcome!

Moving Meditation with Chakradance

Chakradance is a dynamic moving meditation that encourages people to dance for self-discovery and to enjoy a fun energetic workout to great music. There are seven main chakras; these centers of energy may be under or overactive. Balancing them leads to many benefits, including better relationships, improved confidence and self-esteem, emotional health, enhanced creativity and heightened inspiration and clarity. But the biggest benefit of all is the absolute freedom to be yourself!

Meet Stephanie...

"We love Minnetonka Community Education! Minnetonka Community Ed makes it easy for our girls to explore new activities, spend time with friends, and feel connected to their school. We feel lucky to live in a community that has so many offerings!

Community Ed has also been a fun way for our family to stay active and spend time together. Our family enjoyed competing (and getting muddy!) in the Tonka Mud Run and the Tonka Family Challenges."

Terms and Conditions:

Cancellation Notice: Participants will be notified if there is a change in the date/location of the class or if the class is canceled. MCE confirms registrations via email with participants who share their email addresses during the registration process.

Checks with insufficient funds, declined debit cards, credit cards and ACH payments: All returned checks, declined or invalid credit cards and ACH payments will be charged a \$15 fee.

Refund Policy: Generally, full refunds are given when MCE cancels a class. Unless otherwise noted online, refunds (less a \$10 cancellation fee), will be given when a participant cancels a registration at least five business days before the start date of the class. Partial refunds will be considered if injury or serious illness occurs. (Please note: Minnetonka Preschool, ECFE, Explorers Club, Basketball, Ski and Snowboard Club, TdT, Firecracker, Mud Run, Youth Tri, Aquatics and other programs have separate refund policies. See our website for details.)

Data Privacy: Your privacy is important to us. The registration information you provide to MCE is considered private data under state and federal law. We use the information you provide for the purposes of administering the activity and to contact you about upcoming activities. While you may choose to withhold this information, there may be consequences that could limit the distribution of information to the participant (e.g., no team roster or class list). Access to your contact information is limited to individuals involved in the activity.

Participation Waiver: I hereby release Minnetonka Community Ed and any other organizations, cities or individuals associated with this program from any responsibility for injuries or damages that I may sustain as a result of my participation.

Photo Consent: Unless you notify MCE in writing, photos taken within MCE classes, programs, activities, and events may be included in MCE publications and websites.
